

The MAI Institute

Live the Best Life... for Both Worlds.

Islamiyat Program

Learn the fundamentals of Islam to be a practicing Muslim

About the Program

Learn the Fundamentals of Total Islam to live the best life... for this world, and the next.

This program is for persons who want to comply with Islam and do the correct practices while they live their best lives. No prior knowledge of Islam is required – we start from the basics.

We cover the authentic principles, practices and culture of Islam - as moderate, mainstream Sunni Muslims. You can be assured that you are adhering to the core tenets of true Islam without the spin, compromise or hardline interpretations.

Who's it For?

- New Muslims or persons with little or no prior exposure to Islamic studies
- Persons seeking to formalise their study of Islam
- Business owners, working professionals and students wanting to learn Islam in a convenient, accessible manner
- Anyone wanting to learn unbiased Islam, and the principle, practices and culture of this global community.

What You Will Learn

To be a good practicing Muslim, there are a few core beliefs, practices and skills that are required. Our aim is that you achieve the following in your studies:

Learn the Quran

Read Arabic
Tajweed – pronunciation
Hifz – Memorization
Qirat - recitation

Islamic Beliefs & Practices

Belief in Allah (Tawheed)
Articles of Faith
Standards of practice (Fiqh)
Duas for Protection & Healing

The Holy Prophet & his legacy

The Life of the Prophet (Seerah)
The Significance of his example
